## What It Means to Sponsor the CSF Masquerade Ball

As a leader in your community, you understand the value of improving the world around you. By becoming a sponsor of the **2015 CSF Masquerade Ball**, you will help ensure that CSF moves forward with its mission to improve the lives of those affected by Chiari malformation, syringomyelia and related disorders.

Your sponsorship will help CSF fund research and programs, spread awareness, and educate physicians and the public alike, about these conditions. Your gift will also help CSF start the first ever international patient database that will be instrumental in allowing leading scientists to find real answers for patients and their loved ones.

*“Thanks for your initiative to organize the CSF international research conference in NY. It was a great event to meet and discuss ideas with all the participants from all over the world. I am sure that because of this meeting new things will be done in the future to improve patient outcomes.”*

*-Olivier Baledent, PhD, University Hospital of Amiens, France*

*“I found your Consider Chiari presentation very informative and interesting. My dad had a serious Chiari and I only ever knew about it from an adult standpoint. I found the pediatric viewpoint very educational. I am a student PNP currently, but through this event I will be sure to keep Chiari on my radar for when a potential case arises.”*

*-Alexandra Vill RN, Duke Children's Primary Care at Southpoint*

*“CSF and the volunteers go above and beyond to spread awareness and help out in any way possible. It is an amazing relief to already worried parents to have CSF, all their information, compassion and caring people who will do whatever they can to share any and all info they have.”*

*-Amy Smith, Clyde, Ohio unite@night Chairperson*

*“Our son and daughter have CM, TC, and EDS. We spend a lot of time in Maryland and have been to the quarterly CSF meeting several times. Thank you for everything you do for families like ours.”*

*-The Dryer Family, Hudsonville, Michigan*
